

# smolia™ Nail

## I Features

### A helping hand

Tedious nail shortening is a thing of the past. The smolia Nail stands firmly on the table, so you can shorten your nails precisely and safely even with trembling hands.

### Good view through bright LED

With the white LED you can see clearly and clearly through the magnifying glass even in poor visibility.

## I Dimensions

The smolia Nail is small and handy and can be taken anywhere.

## I Easy cleaning

To clean the nail clipper, remove the magnifying glass. Now you can easily reach all parts.

## I 2 in 1 - Integrated nail file

There is a nail file on the back of the Smolia Nail. Simply flip the nail clipper over to use the file.

## I Delivery

- Smolia Nail
- Cleaning Cloth
- Button Batteries CR2016
